From,

J. D. Sandford Esqre
Inspector General of Prisons
Mysore

To

The Dewan.

Sir,

I have the honor to forward a copy of a letter No. 506 of the 9th instant, from the Superintendent Central Jail, in order that the orders of the Government of Mysore may be obtained as to whether prisoners sentenced by the Courts in the Civil and Military Station and by Courts Martial in Bangalore are to be received, and whether sentences of whipping passed by the same Courts are to be executed in the Central Jail at Bangalore, or whether separate

separate arrangements will be made under the orders of the Resident and the Commander-in-Chief for the execution of such sentences.

2. As to sentences of Courts Martial, their execution is committed, under Article 151 chapter X Act V of 1869, the Indian Articles of War, "to the Officer in charge of the nearest Jail;" but Article 162 on the other hand appears to contemplate the confinement of prisoners under sentence of such Courts in any Jail or other fit place situate within the local limits of the Military command.

3. Similarly Sections 382 and 383 Code of Criminal Procedure contemplates the confinement of prisoners in the Jail of the District in which the trial

is

is held. 3

4. Perhaps I may be allowed to suggest that the Resident should be consulted in the matter

Sir

I have the honor to request to be informed whether in reference to recent changes in the Administration of Mysore, prisoners sentenced by the Courts in the Civil and Military Station of Bangalore (European and Natives), are still to be received to undergo their imprisonment in the Central Jail as before and whether the cost of such prisoners is to be included in the usual bills or otherwise

otherwise. Also whether sentences of flogging from these Courts are to be carried out at the Central Jail.

Also whether Native Soldiers sentenced by Courts Martial in the Cantonment of Bangalore are to be received and maintained as heretofore.

To

The Resident in Mysore

Sir, I have the honor to bring to yr notice that at present the persons sentenced by the Courts Martial in the Bangalore Civil & Mil[y]. Station are confined in the Central Jail at Bangalore where the sentences of whipping passed upon them are also executed. Under Act. 15 of Chap[r] V. Act V of 1869 the Sentences of Courts Martial have to be executed in the nearest Jail, but article 15 of 2 Contemplates the Confinement of prisoners under sentence of such Cts in a Jail or other place within the local limits of the Mil[y]. Commands.

Under such circs the legality of the Execution of Sentences passed by Courts Martial, in a Jail which is situated beyond the limits of the C. & M. Station, appears open to question &

I have therefore the honor to request
an Expression of ~~Not~~ your Opinion
as to whether the Existing arrangements
should Continue or whether any
Change is under Contemplation.

As regards the Prisoners sentenced by
the Criml Courts of the C. & M. States
the Criml Pro. Code (Act X of 1882)
Ss. 302 & 303, Contemplate their
Confinement in the Jail of the Dt
in which the trial is held, and
as since the Rendition the C. & M.
States is declared to be a District
by itself & separate from the
Bangalore Dt, ~~in which the~~ the Central
Jail ~~is situated for the Bangalore Jail~~
~~Dt. Bangalore~~ which is situated
in the latter Dt ~~and~~ is not

States Prs: as such a Jail

in the Sections above Quoted.

I make this reference because
the question has been raised by the
Dept Genl of Jails on more than one occasion
& not because

the Durban themselves desire ~~any~~

The Dewan of
Mysore.

Sir,

In reply to your Secretary's letters No. 4300/205 of the 16th November 1883 and 457/210 of the 27th idem I am directed by the Resident to inform you of the orders which he has received from the Government of India with regard to the imprisonment of prisoners convicted by the Courts of the Civil and Military Station or by Courts Martial, and at present lodged in the Bangalore Central Jail.

2. The Government of India accepts the charge of Rs. 8790-9-2 for the keep of these prisoners upto the 30th September last, which amount should be at once credited to the Durbar in the account of the revenues of the Assigned Tract at present kept in their Treasury. I am also to request that a supplemental account may be furnished showing what further expenses were incurred under this head upto the close of 1883. In this account the expense on account of convicts whose term of imprisonment had not then expired should be included.

Should be Rs 9732-2-1 including cost of Prisoners sentenced by the courts Martial

3. I am also to request that for the future all charges for the keep of prisoners

District Jail for the Civil and Military Station the Resident may possibly have to request the Government of India to modify their orders, but to help him in the consideration of this matter, Mr Lyall wishes to obtain some information from the Superintendent of the Bangalore Central Jail as follows:—

(1) a return of the average daily number of Civil and Military Station prisoners, male and female, adults and boys, European and Native, and Civilian and Military, who have been confined in the Bangalore Prison and Lock-up respectively since the Rendition, specifying in regard to prisoners the number sentenced to more or less than one year's imprisonment.

(2) An Estimate of the amount of maximum accommodation for each class of prisoners requiring separate treatment which will be likely to be required in a Civil and Military Station Jail and Lock-up such as that contemplated by the Government of India.

Dr Henderson could probably give the above information without much difficulty, and from his great experience of Jail management in Bangalore, his advice would be invaluable. I am therefore to request you will be so good as to permit me to correspond direct officially with Dr Henderson on the subject.

I have the honor to be,
Sir,
Your most Obedient Servant,

A. Malin
Assistant to the Resident.

Please turn over.

P.S. After this letter had been written the Resident has received your No. 45 of 26th instant in which you ask his opinion on certain questions which have been raised as to the legality of the continuance of the existing arrangement whereby prisoners of the Civil and Military Station are confined in the Durbar's Central Jail. Mr Lyall thinks you will agree that the instructions now received from the Government of India, have altered the aspect of the case, and that it is not now necessary for him to express an opinion.—

No 102 J.

Letter No. 2792/527 dated 28th March 1884, Para 3 from the Assistant Resident, to the Dewan of Mysore.

In compliance with the above, has the honor to forward for disposal the bills of cost of maintaining the Prisoners of the Civil and Military Station Courts in the Bangalore Central Jail, and District Lock-Ups for the year 1884, amounting to Rupees 4110-1-2, and Rupees 359-12-4 respectively.

2. The Natives have been charged for at the rate of Rs 72/- per annum or Rs 6 per mensem, and the European and Eurasian at the rate of Rs 108/- or Rupees 9 per mensem, these being considered fair average rates. In the one case this is not so high, and in the other it is a little above the general average, which includes a great many items not incurred for these prisoners alone.

46

3. Also it seems but fair that a little reduction should be made for their labours, and because being mostly short term prisoners, they are not so expensive as long term or Ligero.

Letter No. 2792/347 of 28th March 1884 para 3 from the Assistant Resident to the Dewan of Mysore.

In compliance with the above has the honor to submit for disposal Bills of cost of maintaining Prisoners of the Civil and Military Station Courts in the Central Jail and District Lock Up for the year 1885, amounting to Rupees 3313-4-3 and Rupees 662-3-9 respectively.

2. The Rates have been charged for at the rate of 86 Rupees per Annum or about Rupees 7-1-0 per mensem and the Europeans and Eurasians at the rate Rs. 114-0-0 per Annum or 9-8-0 per mensem, these being considered their average rates. In the one case this is not so high and in the other it is a little above

the general average, which includes a great many items not incurred for these prisoners alone.

3. Also it seems but fair that a little reduction should be made for their labor and because being mostly short term prisoners they are not so expensive as long term or Liger.

instructing the Officer in charge of the Residents' Treasury, Bangalore, to disburse to the Mysore State the sum of Rs. 9,410-0-10 in adjustment of the above demand. Instructions have also been issued to the Treasury Officer to remit to the Huzur Treasury the sum of Rs. 3,502-4-11 in adjustment of the bills forwarded with your Office letter No. 74/87 dated the 21st March 1888 on this account for the year 1887. A copy of the order is enclosed for information.

3. The Government of India are of opinion that it would be an advantage if the rates to be charged for the maintenance of these prisoners could

could be settled definitely beforehand, I am accordingly to enquire whether some such arrangement would be feasible and if so whether a rate per head could be fixed separately for European and Native prisoners in the Central jail as well as the District Lock-up.

4. I am at the same time to invite attention to the steadily increasing charge per head for the maintenance of convicts and to the abnormally high cost during 1907, and to ask you to be kind enough to inform the Resident how these charges are influenced and whether in the absence of some special stipulation any diminution in the amount

per head for the current year may be looked for.

5. I am, in conclusion, to request that bills on this account be forwarded in future at the close of each Calendar year not later than the 1st February.-

GOVERNMENT SECRETARIAT

105 (38)

From

T. R. A. Thumboo Chetty Esqre
Offg Inspector General of Prisons
in Mysore.

To

K. Seshadri Iyer Esquire. C.S.I.
Dewan of Mysore.

Sir,

In reply to your office No. 12, dated 2d April 1888, in regard to the payment of the cost of maintenance of the prisoners convicted by the Courts in the Civil and Military Station of Bangalore, I have the honor to forward herewith copy of a letter, No. 256, of the 8th Instant, and of its enclosure, from the Superintendent, Central Jail, reporting on the several points adverted to in paras 3 and 4 of letter No. 1067/5167 dated 26th March last, from the Assistant to the Resident.

2. The Government of India suggest the desirability of settling definitely the rates

rates to be charged for the maintenance of these prisoners; but it will be seen, from the Statement appended to the Superintendents' letter, that the charges under the different heads vary from time to time in proportion to the increase or decrease in the daily average number of prisoners; that the cost of rations depends upon the rates paid to the Contractor, in accordance with the agreement entered into with him annually; and that the other items of expenditure must necessarily fluctuate, owing to the causes which are fully set forth in the Superintendents' letter. It is, therefore, difficult to fix, once for all, the proper rate that should be charged.

3. The rates proposed by the Superintendent, in para 16 of his letter, namely, Rupees 84 per head per annum for Native prisoners and Rs 120 per head per annum for

for European and East Indian prisoners seem fair; but it would be more reasonable, I think, to fix the charge for rations in proportion to the sum actually paid to the Contractor. The proper rate chargeable under this head could only be ascertained at the end of each year. The whole amount paid to the Contractor divided among the daily average number of prisoners will give the average cost per head, and the amount payable, on account of the convicts of the Civil and Military stations, may be computed accordingly.

4. The other items of charges are the following:—

| | Average Cost per head | |
|---|---|---|
| | European | Native |
| I Building —— | 2 | 2 |
| II Clothing —— | 4 | 5 |
| III Hospital charges — | 2 | 2 |
| IV Guarding —— | 28 | 40 |
| V Contingencies —— | 5 | 5 |

4. On account of items I, II, III & V, the

rates

rates proposed by the Superintendent, on the basis of the average cost per head for the past 15 years, appear fair and may be adopted - With regard to item IV, I am of opinion, that no charge ought to be made on account of "guarding" or "other establishments" maintained in the Jail, as the expence the Government is put to on this account is, to some extent, recouped by the value of labor obtained from the Convicts. Should Government however think that, on account of work done by the prisoners, a reduction in the maintenance charges ought to be allowed at the rate suggested by the Superintendent, namely, 2 annas per head per diem, it is, I submit, nothing but fair, that a proportionate share not only of the charges of "guarding", but also of the cost of the "establishments", including the pay of Superintendent and other officers, should be paid on account of the Civil

and

GOVERNMENT OF INDIA.

and Military Station Convicts

5. Owing to the reductions recently effected and the new arrangement entered into with the Contractor, some diminution in the expenditure may, as remarked by the Superintendant, be looked for in the current year; but the "guarding" and "establishment charges" would still continue to be high unless the number of prisoners confined in the Jail be increased. This could easily be done by transferring the long term prisoners from the Mysore to the Bangalore Jail, leaving at Mysore only a small number, for whom suitable employment will be provided either inside the Jail, or within the Municipal limits of the Town.

I have the honor to be,

Sir,

Your Most obedient Servant,

From

The Superintendent
Central Jail, Bangalore.

To,

The Inspector General
of Prisons in Mysore

112

Sir,

As requested in your letter No: 162 dated 23rd April 1888, I have the honor to submit the following report on the several points adverted to in paras 3 and 4 of the letter from the Assistant Resident -

2. The average cost per head of the Civil and Military Native prisoners confined in the Central Jail is calculated at the same rate as those of the Mysore Government, and as shown in the Annual Statements Nos: X, XI, XII and XIII, and pages 13, 14 and 15 of the Annual Report of — 1887.

3. The average cost per head of European and East Indian was Calculated for the year 1887 as follows:-

| | | | |
|---|---|---|---|
| Building | Rs. | 4 | 14 — 6 |
| Rations | — | 78 | 12 — " |
| Clothing | — | 7 | 5 — 9 |
| Hospital Charges | " | — | 11 — 6 |
| Guarding | | 6 | 7 — 8 — 6 |
| Contingencies | | 1 | — 11 — 9 |
| Total Rupees | | 104 | — " — " |

From this statement, it will be seen that the extra cost of European over Native prisoners falls under the heads of Rations and Clothing, no extra guarding being required for European prisoners. The rations for the last two years have been reckoned at the Jail Contract rate, viz: 3½ annas per head per diem.

4. I beg to annex a statement showing the average rate per head for the last 15 years, from which it will be more clearly seen, where the increased items per head occur in the last four years, and how steadily the average number of prisoners has decreased since the year 1878.

5. Heading No: 1, Building, increased last year to the very high rate of Rs. 1-14-6 per head, owing to extensive repairs being carried out in the Jail, and which amounted to Rs. 3,678, this sum being divided amongst the small average total of 465 prisoners.

6. An Estimate for this work is regularly prepared by the D.P.W. and carried out as far as practicable by Convict labor, deductions for

the same being made in the Estimate -

7. This item of expenditure will probably be reduced to £1-8-11 or £1-9 per head for the current year, but at the same time I wish to point out that the whole jail has to be kept in thorough repair, although parts of it may be empty, and so the average expenditure per head would fall much lighter, if double the prisoners were confined in the jail.

8. Heading No: 2, Rations, has increased, owing to the rate per head tendered by the Contractor being higher than formerly, the reason being that it is cheaper to contract for a large number of prisoners than a small one - This year, the former system has been reverted to, by which the Contractor supplies so many pounds per pupee of the different articles required, and under which system, I hope to effect a saving - 14

9. Heading No: 3, Clothing, has increased, owing to the Peons' and officers' uniform being charged among a smaller number of prisoners -

10. Heading No: 4, Hospital charges, has decreased, owing to a decreased

number of sick in Hospital -

11. Heading No. 5, Guarding, has increased yearly during the last 4 years, owing to the same guard being kept up for a smaller number of prisoners - This has now been considerably reduced, and I hope to show a large reduction under this head this year, as compared with last - It will be seen under this heading that the guard was considerably increased in 1884, when an Emeute occurred among the Life Convicts confined in this Jail: this, to a great extent, accounts for the steadily increasing Expenditure per Head mentioned in para 4 of the letter from the Assistant Resident - The number of the guard has now been very considerably reduced this year, and a new system of guarding been introduced: under this present system, I consider the guard to be sufficient for a thousand prisoners, although I do not see any way of further reduction, owing to the large space of ground which the Jail Covers and which has to be guarded -

12. Heading No. 7, Contingencies, will probably increase instead

of decreasing this year, owing to the different items included under that head being paid for by the Contractor as per agreement.

13. Judging from the Expenditure for the months of January, February and March of the present year, I conclude that our average per head for native prisoners for the present year will fall between Rs. 90 and Rs. 95.— 116

14. I would bring to your notice that the Rs. 116—11—9, average per head of the Central Jail for the year 1887, also includes the District Lock-up, for which no separate accounts are shewn that year, owing to the small number of prisoners in the Central Jail, it was found more convenient to abolish the District Lock-up and bring the prisoners over to the Central Jail, where they are now confined.

15. With reference to para 3 of your letter, I beg to make the following suggestions:-

a. That a certain fixed rate per head per annum be fixed for both Native and European prisoners

of the Civil and Military Station,
and that the said rates should be
fixed at Rs. 84 per head per annum
for Native prisoners and Rs. 120
per head per annum for European
prisoners - I have arrived at these
figures by taking the average
rate per head per annum of
native prisoners for the last 15
years, deducting the Military
Guard. -

17. The different rates shown in
the proposed table for Europeans being
arrived at in the same way and
from the same figures, viz. Rations,
clothing and Guarding - Rations
Rs. 79 I consider a fair rate per head,
as it is the rate contracted for the
last two years, viz: 3½ annas per
diem - Guarding Rs. 28 per head
per annum, I also consider sufficient,
as the European Prisoners are kept
entirely in separate confinement
and do not require so much guarding
as they would, were they in association -
The clothing Rs. 4 per head I also
Consider sufficient, as it lasts
so much longer than clothing
for Native Prisoners who do
out door work - Should it be
thought necessary, a further reduction

might be made for these prisoners by allowing 2 annas per diem for work done by them, and which would amount to about Rs. 39 per annum - Should this last deduction be allowed, I would suggest that the same rate per diem be fixed for European prisoners as Native, as their labour is found to be equally remunerative -

I have &c

Containing the circumstances under which the rate per head per annum of the cost of maintenance of convicts in the Central Jail has steadily increased and has been abnormally high during 1887.

I have the honour to be,

Sir,

Your most obedient servant,

Office of the Dewan of Mysore,
Dated Mysore, 27 April 1888.

No. 5

39

To, The Resident in Mysore

120.

Sir,

I have the honor to acknowledge the receipt of your Office letter No. 1067/5167 dated the 26th. March 1888, observing, with reference to the Bills sent by the Durbar for the cost of the maintenance in the Central Jail, Bangalore, of prisoners convicted by the British Courts in the Civil and Military Station, that the rate per head per annum has been steadily increasing and has been abnormally high during 1887, and Enquiring whether it would be feasible to fix the rate per head definitely before-hand.

In reply, I have the

IV

honor to state that the cost of the maintenance of a Prisoner comprises the charges incurred (1) for his rations, (2) clothing, (3) Hospital charges, (4) Guarding, (5) provision of accommodation and (6) other contingent Expenses. These items vary every year according to the number of Prisoners in the jail and to the amount paid to the Contractors for the supply of rations, &c. At the end of each year the total cost incurred under the above heads is divided by the average daily number of Prisoners, and the quotient is taken to represent the average cost per head per annum.

The accompanying statement shews the average cost of

Native Prisoners for the past 15 years, from 1873 to 1887. It will be noted that the average cost per head in the year 1887 amounted to Rs 116-0-9. This unprecedentedly high figure was due principally to the small number of prisoners on whom the average had to be calculated, as well as to the circumstances Explained below:—

The average cost of accommodation amounted to Rs 7-14-6 owing to the Extensive repairs carried out in the Jail in 1887 and to the distribution of the cost, Rs 3678, among the small average of 465 prisoners. It is hoped that there will be considerable reduction under this head during the Current year-

The cost of rations also increased owing to the tender of high rates by the Contractor. This year, the old system has been resorted to, by which the Contractor supplies so many pounds per rupee of the different articles required, and the Supdt of the Central Jail hopes to effect a saving under this ~~head~~ system.

The charge on account of Guarding ~~establishment~~ shews an increase owing to the maintenance ~~till practicable~~ of the increased strength of Establishment Entertained in 1884; ~~although there was~~ a ~~considerable diminution~~ in the ~~number of Prisoners~~ since ~~that year~~. A large reduction of the strength of the Guards has been ordered and it is hoped

that the average cost will in consequence be considerably diminished this year.

The cost under Contingencies will probably increase this year, owing to the different items included under that head being paid for by the Contractor as per his agreement.

In the case of European and East Indian Prisoners, the average cost per head During 1887 was Rs. 164, distributed as follows:-

| | Rs. | a. | p. |
|---|---|---|---|
| Building | 7 | 14 | 6. |
| Rations | 78 | 12 | 0. |
| Clothing | 7 | 5 | 9. |
| Hospital Charges | 0 | 11 | 6. |
| Guarding | 67 | 8 | 6. |
| Contingencies | 1 | 11 | 9. |
| Total | 164 | 0 | 0 |

With reference to the observation of the Govt. of India that it would be advantageous to fix a definite

rate per head according to which the claims of the Durbar on account of the C. & M. Station Prisoners should be adjusted, the Durbar, having regard to the average cost shewn in the accompanying statements, are of opinion that Rs. 120 ~~may be fixed as the average rate per head of~~ European & East Indian Prisoners and Rs 84 per head of ~~the~~ Native Prisoners. ~~These figures are based upon the averages of the past years and may be~~ distributed under the several heads of rations, clothing, &c as shewn below:—

| | For a European or East Indian Prisoner Rs. | For a Native Prisoner Rs. |
|---|---|---|
| Rations | 79 | 30 |
| Clothing | 4 | 5 |
| Hospital Charges | 2 | 2 |
| Building | 2 | 2 |
| Guarding | 28.[Y] | 40[X] |
| Contingencies | 5 | 5 |
| Total. | 120 | 84 |

that the average cost will in consequence be considerably diminished this year.

The cost under Contingencies will probably increase this year, owing to the different items included under that head being paid for by the Contractor as per his agreement -

In the case of European and East Indian Prisoners, the average cost per head during 1887 was Rs. 164, distributed as follows:-

| | Rs. | a. | P. |
|---|---|---|---|
| Building — | 7 | 14 | 6. |
| Rations — | 78 | 12 | 0. |
| Clothing — | 7 | 5 | 9. |
| Hospital Charges. | 0 | 11 | 6. |
| Guarding — | 67 | 8 | 6. |
| Contingencies — | 1 | 11 | 9. |
| Total. | 164 | 0 | 0 |

With reference to the observation of the Govt. of India that it would be advantageous to fix a definite

In Explanation of the reduced rate of Rs 28 and Rs. 4 put down under the heads "Guarding" and "clothing" for European & Each Indian Prisoner, I may state that as this class of Prisoners are not employed on out-door work, their clothing lasts much longer than that of native prisoners and the cost of guarding Establishments is considerably less. The cost of rations has been put down at Rs 79 in accordance with the rate contracted for, viz, 3½ Annas per diem —. The above rates are considered fair and reasonable, and may be adopted.

In conclusion, I have to state that the Distt Lock-up was abolished last year and amalgamated with the Central Jail, and therefore no separate rates for the prisoners who used to be confined there are proposed —

Requesting to explain certain discrepancy regg the overall cost per head of native prisoners confined in the Bangalore Central Jail for the years 1884 & 85

The figures given in the Statement which accompanied the Dewan's letter to Resdt. No 5 dd 2nd June last were based upon the statement furnished by the Inspector Genl. with his No. 2277/40 dd 19th May/88

The discrepancy referred to ✕

by the Assistt Resident is,
I believe, owing to the
omission ~~of~~ of
the items of "Building,"
"Military Guard" and "Contingencies"
when striking the average
cost in 1886. The remaining
items alone nearly make up
the average of Rs 72 as shewn

Sir,

With reference to your letter No 479 dated 17th instant, I have the honor to state that I can offer no definite explanation to the discrepancy, amounting to Rs 18-3-7, as shewn in the letter No 262 dated 23rd February 1885. The only explanation I can offer is derived from the Head Clerk, who has now left the Jail. He states that Dr Henderson, who was then Superintendent of the Central Jail, did not consider that the Civil and Military Station Prisoners would require such a large establishment to guard them, if incarcerated in a Jail of their own, also the charge of Contingencies and clothing would amount to less for Head for short termed Prisoners, as all the Civil and Military Station Prisoners are, than for long termed Prisoners.

In 1884, an amount of Rs 166 per annum was sanctioned for an Extra Guard, on account of a meeting which took place amongst the Liège convicts during that year, and I am of opinion that

140

Dr. Henderson deducted this sum proportionately from the charges of Civil and Military Station Prisoners for that year.

To,

Dewan of Mysore.

Sir,

Sir.
+ papers were subd 2nd
24th January

I have the honour to acknowledge the receipt of letter No. 6593/5-7 dated 19th Ultimo from the Under Secretary, and to reply thereto.

The Assistant Resident, in his letter of the 4th Ultimo, forwarded with the Under Secretary's letter, remarks that the Resident observes that, in the Estimate framed by the Durbar, no set-off is allowed, on account of the value of the labour of the Civil and Military Durbar Prisoners

and

and, in his opinion, a considerable reduc=
=tion in the charges may fairly be claimed
upon this account.

(13)

With reference to these observations,
I beg to remark that the only kind of
Jail labour, which is remunerative, & for which an account is kept
is labour employed in Manufactures, ~~(for~~
~~which an account is kept)~~, as by far
the larger number of Civil and Military
Station Convicts are short term Prisoners,
they are not employed in Manufactures,
but on Jail duties and extra mural la=
=bour. The Superintendent of the Cen=
=tral Jail, in his letter (copy of which
is herewith forwarded) reports that the
actual earnings of the Civil and Mili=
=tary Station Prisoners from 25th March
1881 to 31st December 1888 were £2906-10-,
giving an annual average of £8-0-3
per head. I would however observe that
the fixed sum of £4 per head for
natives and £20 for Europeans per

annum

annum is below the actual cost per head, and further no charge has hitherto been made for rent. I have frequently brought to the notice of Government that it is only fair that some charge should be made under this head. But for the accommodation afforded to these Prisoners in the Central Jail, it would be necessary for the Government of India either to build a Jail at considerable cost or rent a building, and the rent of any building suitable for the purpose if such could be found within the limits of the Civil and Military Station, would certainly be very high.

If, therefore, the question is to be referred and a deduction from the present rate is to be made on account of the earnings of the Civil and Military Station Prisoners, I submit that the Government may with perfect fairness

15

fairness, ask that rent should in future
be paid for the accommodation afforded
at present under the head of building,
for which a fixed sum of ~~£~~ 2 per
head is charged for Europeans and
natives, the cost of annual repairs
only is included. The Superintendent
proposes the sum of ~~£~~ 900 per annum
as a fair sum to be paid for rent;
he arrives at this sum by calculations
set out in his letter, which calculations
appear to be fair.

The average no: of prisoners from
the Civil and Military Station for
the past 5 years (the years 1881, 1882,
& 1883 are not included because
subsequent to 1883 only some of the C. & M.
Station Prisoners were sent to our Jail)
was 34. The rent for each Prisoner
per annum would be ~~£~~ 24—5—2.;
from this may be deducted the sum
of ~~£~~ 2, already charged for Building,
leaving a balance per head, for rent,

of

of £22–5–2.

The final result for European and native Prisoners would then stand thus:-

For Europeans and Eurasians

Rate fixed and accepted £120–0–0 per head per annum

Deduct Earnings £ 8–6–3

£ 111–15–9

Add on account of Rent 22–5–2 per head per annum

£134–4–11.

For Natives.

Rate now fixed & accepted £84–0–0 per head per annum

Deduct Earnings £ 8–6–3–0–0

£ 75–15–9

Add Rent £ 22–5–2 per head per annum

£ 98–4–11

I may add that in the present gaol, no charge is made to the Civil and Military Station Authorities for Military guarding.

GOVERNMENT OF MYSORE

52

From,

The Superintendent of the
Central Jail, Bangalore.

To,

The Inspector General of
Prisons, in Mysore.

Sir,

In reply to your letter No: 40,
dated 2d February 1889, I have the
honor to submit two lists, shewing
the particulars required.

2. No 1 shows the average amount
of earnings per head in the manu-
facture, as this is the only record
that is kept of any work done,
but this is not quite a fair average
of work done by the Civil and Mi-
litary prisoners as they being
all short termed prisoners,
under one year, are employed
as prison servants and enta-

mural labour and very rarely
in the manufactures.

3. List No: 2 shows the Cost
of the Establishment of the Jail
since 1881, and the Military
Guard shewn separately.

4. With reference to rent,
the total outlay on the Jail was
Rs: 2,52,799; and that of the
District Lock-up Rs: 16,972,
making an appropriate total
of Rs: 2,69,771 - 5 (Five) per cent
on this total amounts to nearly
Rs: 13,500. This I would divide
by fifteen, which is the propor-
-tion the Civil and Military
prisoners bear to the total
population of the Jail, and
by this means bring the amount
to Rs: 900, which I should con-
-sider as a fair annual rent

for

for the Civil and Military pri-
-soners. I consider that Rs: 40/-
per head is a fair charge for
establishment and Guarding,
this is exclusive of Military
Guarding, which I do not con-
-sider short term prisoners
require.
